

MAYOR'S UPDATE

May 28th, 2024

Council would like to acknowledge the many volunteers who have stepped up to reinstate the Lake Days celebrations, as well as those who are involved with The Lake Cowichan Ambassador program. Good luck to this year's candidates.

I would be remiss if I did not mention The Kin Club and Kinette Club for all their involvement during Lake Days. All these groups, and many others, have gone above and beyond to ensure all involved enjoy the weeklong Celebration.

Councillor Frisby and I, will be away at a conference during this year's celebration, and we extend our support to the festivities in our absence.

Councillor Sandhu, as Deputy Mayor, has been charged with mayoral duties during our time away. She has also stepped up to volunteering with the planning of Lake Days, along with other members of the community.

Our thoughts for a speedy recovery go out to those Community members who were involved in the recent motor vehicle accident. Your community stands beside you as your healing journey continues.

We would also like to wish all a Happy and Safe Lake Days celebration.
